

Course of Preparation 2016

EXTRAORDINARY MINISTERS OF THE EUCHARIST

As you know, during Lent each year the Diocese of Ossory offers a course of preparation for those who are to be commissioned as extraordinary Ministers of the Eucharist.

Details have been finalised for this year's programme of preparation. We would, therefore, like to invite all those from your parish who are to begin as ministers and, if they would like to come along, those who are to be recommissioned, to join us for three evenings of preparation.

Please note that the three training nights take place consecutively, enabling people to undertake the course in one week. As always if a particular night does not suit you are most welcome to attend any of the other venues.

Saturday morning training session: This has been added to facilitate those who are in College etc. but would like to minister in parishes as an Extraordinary Minister of the Eucharist. So if you have some younger takers for the training - why not send them to this gathering.
