Exam Students

We would like to wish all Students every success in their exams. We remember them in our prayers at this time.

Prayer for Exam Students

Ever loving and eternal God be with me as I sit my examinations. Give me peace of mind and quietness of heart so that I may approach each exam with confidence and trust. Open my heart to believe that with you all things are possible and because you have created me I am worth much more than all the exams in the world. Teach me Lord that there will be many opportunities for using my gifts and talents in the future. Bless that future and be with me, my family and my friends especially when the road is difficult, and when all is going well may I give thanks for your care and love through Jesus Christ our Lord.

Amen.
