Always Say No to Illegal Drugs

Prayer for fine weather.

*Heavenly Father,
you have created all things and we
depend upon your loving goodness.
You have given us the earth to care for
and provide our food.*

*We humbly ask you to give us fine
weather so that our animals may have
food, our crops may be planted,
we may once more enjoy the countryside
and those who work the land
may have peace of mind.*

*For your goodness Lord we thank you
and in you O Lord we put our trust.
Amen.*

Church Teaching

Why is Cherishing Human Life so important?

The Catholic Church's teaching on the
dignity and value of every person is very
special. Every human life is precious and
beautiful. Some people feel the right to
life of the unborn should be a matter of
personal choice for the mother. Others
maintain, while they are opposed to
abortion as a general principle, there are
some children to whom the right to life
does not apply because they have been
diagnosed with a serious medical
condition or because they have been
conceived as a result of rape. The
Church's belief, based on reason as well
as faith, is that there is no such thing as a
human life without value.
